Quality Workmanship

DeMonte Fabricating Ltd.

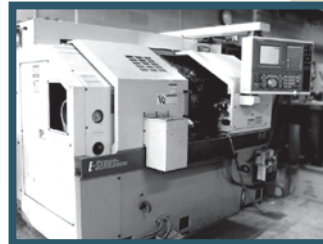

No bragging, just fact. Did you know...

- That DeMonte Fabricating still does exclusive work for world renowned artists and that some of their work can be found right here in Windsor at the Odette Sculpture Park.
- That DeMonte Fabricating has done custom steel stair forms for numerous sports centers throughout North America.
- That DeMonte Fabricating was called upon to do custom fabricating work for Windsor's Lancaster Bomber located in Jackson Park.

• Sandwich Windmill, Windsor, Ontario

- That DeMonte Fabricating has it's own in house tool and die shop equipped with the latest CNC machines on the market today.
- That DeMonte Fabricating is one of Windsor's best kept secrets.

The Sandwich Windmill

- In the 18th Century, numerous wind-powered gristmills stood on the shore of the Detroit River between Sandwich and Tecumseh. Jacques Baby's mill was located near this site on lot #2 at the foot of Mill Street not far from the historic Duff-Baby Mansion.

- During the War of 1812, the American General William Hull commandeered flour for his troops from the mill before his retreat from Sandwich.

Please read on, We may surprise you.

- DeMonte Fabricating Ltd. is a locally owned company that has been in business for over 25 years. We are the experts when it comes to custom fabricating as there is yet a job we have not been able to do. Our philosophy, it's not just another job, it's a signature job by a company who prides themselves on quality.

- In order to provide a truly one stop full service shop, we added a full scale tool and die shop equipped with not only the latest machinery on the market today, but also keeping with the DeMonte tradition, we added the services of tradesmen who just happen to be leaders in their field.

Eve's Apple - Edwina Sandy's

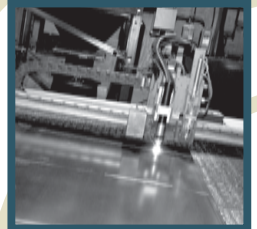

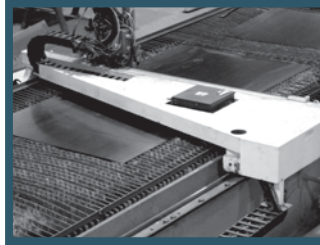

- The Odette Sculpture Park is a museum without walls, a unique park showcasing more than 31 large-scale, internationally recognized works of contemporary sculpture by world-renowned artists. It is a place of convergence and divergence, difference and similarity.

- The Odette Sculpture Park is located on the shores of the Detroit River within Ambassador and Centennial Parks, between the Ambassador Bridge (Huron Church Road) and The Art Gallery of Windsor (Church Street).

- Open all year round.
- Admission is free.

Whatever your vision, We'll see you through it.

DeMonte Fabricating is a working class shop. "They do a great job here," Sandys said of Demonte Fab, amid the sounds and sparks of industrial grinding. "It's at the part where men and machines are working on it."

• Pillars of Justice - Toronto Courthouse Gardens

- So 11 male and female figures, standing on steps, will hold up a peaked roof -- representing the halls of justice.

12TH SPOT EMPTY

The 12th spot is left empty, providing a place for reflection. "I left one spot free so that the public could imagine themselves as the 12th juror,

Plans for a garden alongside Toronto's 361 University courthouse will bring some life to an unremarkable walkway, while also paying tribute to Ontario's retiring chief justice. The McMurry Gardens of Justice is to be filled with sculptures that will "communicate to the public ... the values that form the foundation of the rules of law and our system of justice," explained Justice Gloria Epstein.
